

Hepatitis B Vaccination Refusal

I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk for contracting a Hepatitis B infection. I have been made aware of the opportunity to receive the Hepatitis B vaccine at no cost to myself. However, at this time I would like to decline the Hepatitis B vaccination. If in the future, while still employed with Quik Travel Staffing (“QTStaffing”), I decided to be vaccinated with the Hepatitis B vaccine, I can receive the vaccination at no cost to myself.
